No. 2876564

22 April 2026

Excellency,

Upon instructions from my Government, and with reference to my previous letters, including those dated 3, 7, 9, 16, 26, 30, and 31 March 2026, I wish to inform you and the members of the Security Council of the following:

Based on continuing monitoring and assessments conducted by the Armed Forces of the Islamic Republic of Iran, it has been ascertained that the aggressor, namely the United States, has continued to use the territory and airspace of the State of Qatar for the planning, preparation, equipping, and execution of unlawful military attacks against the Islamic Republic of Iran. A specific instance is as follows:

- At 10:50 on 3 April 2026, a United States P-8A reconnaissance aircraft, operating from the airspace of the State of Qatar, provided intelligence support to United States fighter jets.

In light of the international responsibility of States arising from placing their territory at the disposal of others for the commission of acts of aggression and the conduct of armed attacks against the territory of a third State, the Islamic Republic of Iran expresses its strong and unequivocal objection to the aforementioned unlawful action and strictly calls upon the State of Qatar to observe the principles of good neighbourliness and to prevent the continued use of its territory against the Islamic Republic of Iran.

I should be grateful if you would have the present letter circulated as an official document of the Security Council.

Please accept, Excellency, the assurances of my highest consideration.
