No. 2876565

22 April 2026

Excellency,

Upon instructions from my Government, and with reference to my previous letters, including those dated 3, 7, 16, 18, 26, 30, and 31 March 2026, I wish to inform you and the members of the Security Council of the following:

Based on continuing monitoring and assessments conducted by the Armed Forces of the Islamic Republic of Iran, it has been ascertained that the aggressor, namely the United States, has continued to use the territory and airspace of the State of Kuwait for the planning, preparation, equipping, and execution of unlawful military attacks against the Islamic Republic of Iran. Some specific instances are as follows:

- At 06:10 hours on 3 April 2026, a United States AWACS aircraft, by utilising and transiting the airspace of the State of Kuwait, provided intelligence support to United States fighter aircraft;
- At 07:36 hours on 3 April 2026, a United States F-22 fighter jet, by utilising and transiting the airspace of the State of Kuwait, carried out the bombing of targets inside the Islamic Republic of Iran;
- At 16:06 hours on 3 April 2026, United States F-16 SV and F-15 E fighter jets, by utilising and transiting the airspace of the State of Kuwait, carried out the bombing of targets inside the Islamic Republic of Iran;
- At 19:10 hours on 3 April 2026, United States F-16 SV and F-35 fighter jets, by utilising and transiting the airspace of the State of Kuwait, carried out the bombing of targets inside the Islamic Republic of Iran; and
- At 23:58 hours on 4 April 2026, United States F-15 E fighter jets, by utilising and transiting the airspace of the State of Kuwait, carried out the bombing of targets inside the Islamic Republic of Iran.

In view of the international responsibility of States arising from placing their territory at the disposal of others for the commission of acts of aggression and the conduct of armed attacks against the territory of a third State, the Islamic Republic of Iran expresses its strong and unequivocal objection to the aforementioned unlawful actions and strictly calls upon the State of Kuwait to observe the principles of good neighbourliness and to prevent the continued use of its territory against the Islamic Republic of Iran.

I should be grateful if you would have the present letter circulated as an official document of the Security Council.

Please accept, Excellency, the assurances of my highest consideration.
